Dear Utah Families,

I hope this correspondence finds you and your families healthy, happy, and excited for the start of the new school year. As with anything new, we look to launch an exciting year of possibilities, hopes, and dreams for our school community and partners. The Board approved Strategic Plan, which will serve as our North Star to guide school-based decision-making, will be instrumental in helping provide our teachers, students, and support staff with the resources and guidance needed to make decisions that best meet the needs of our school site to ensure our students are ***Ready for the World!***

As a school community, I want to ensure all stakeholders that our school is safe, we continue to practice social distancing and encourage the use of facemasks, and comprehensive sanitation efforts are in place. The Daily Pass is no longer required for entry to campus, but all families and students should continue to monitor their health and use a rapid antigen test should you not feel well. A positive result should be uploaded to the Daily Pass portal, along with the student's date of birth, the date the test was taken and a photo of the positive rapid antigen test result.

If you have not yet done so, please sign up to receive messages on my Class Dojo page. There are also opportunities to volunteer, so if you have extra time, please reach out to our Parent Community representative, Maggie Severiano for information and registration materials. She may be reached at 323-261-1171.

I look forward to a wonderful school year, and ask you to reach out with any comments, concerns, or suggestions you to help us improve your school experience. My email address is aec0645@lausd.net Thank you for entrusting your child to our Utah Span Community!

Best,

Abraham Casavi, Principal
